CONSULTATIONS

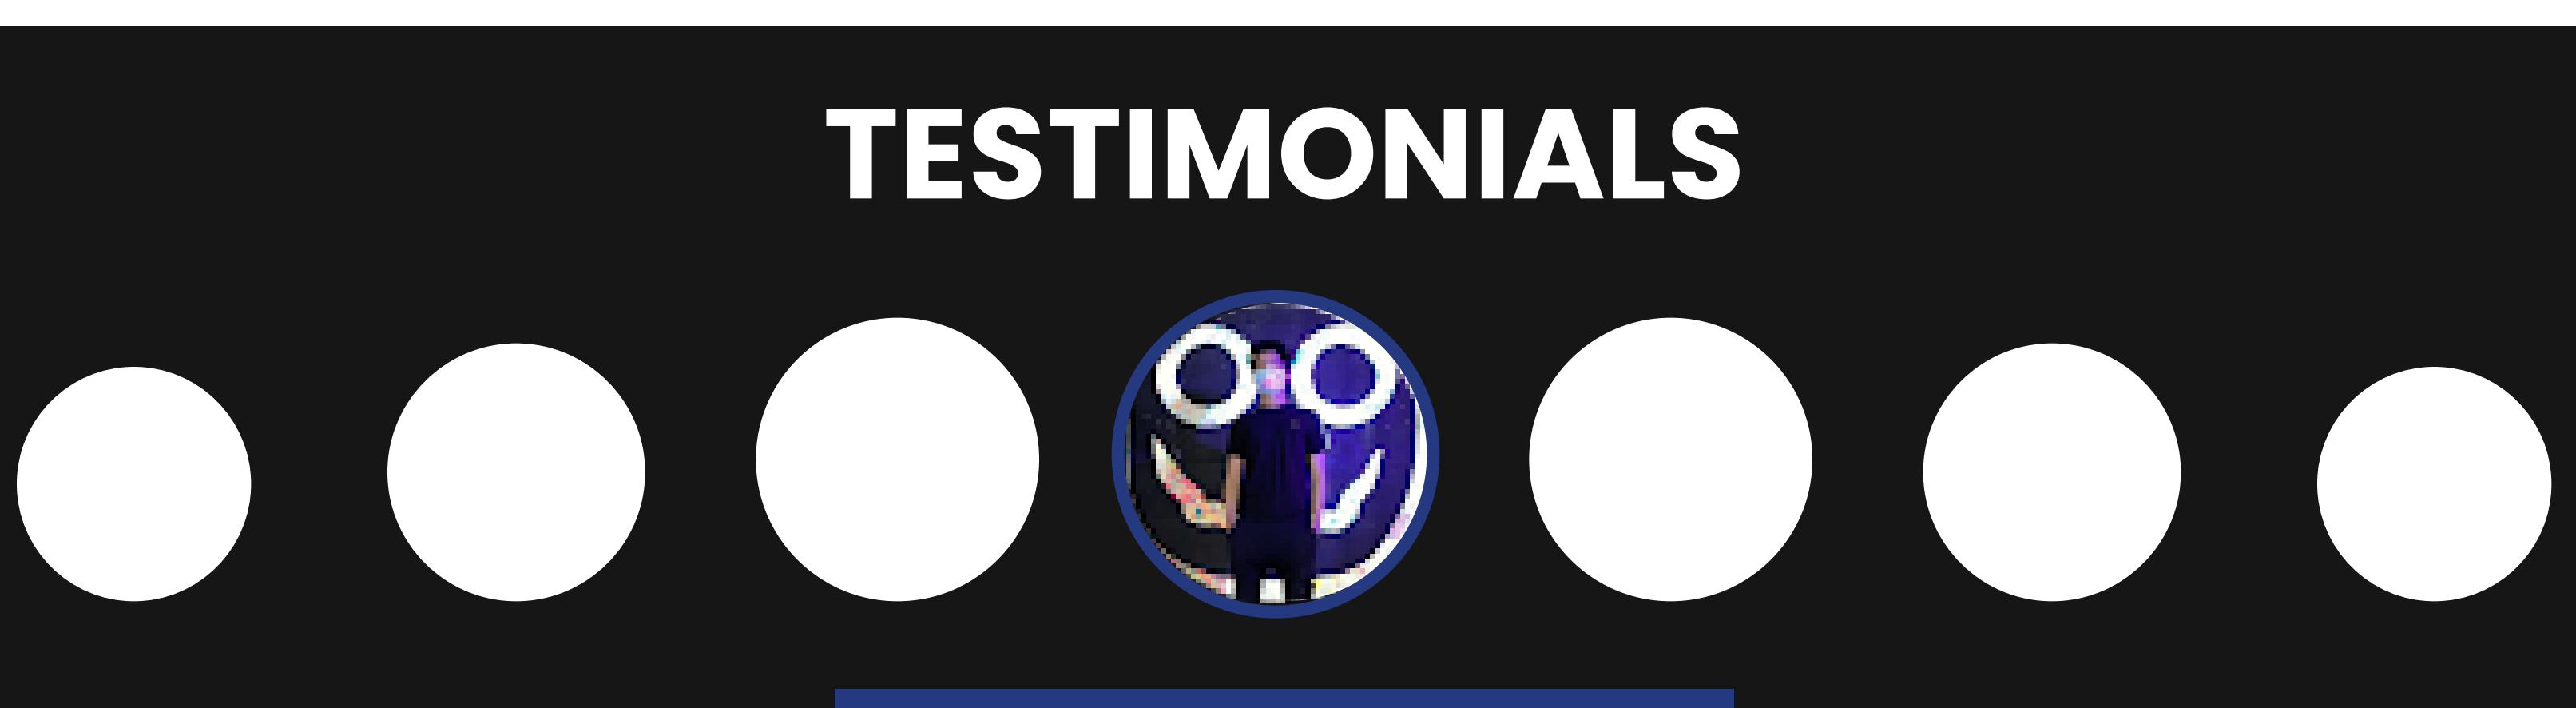

Do you need help deciding which colleges to put on your Common App, which APs to take, or need someone to check your college essay for you? Consider consulting with one of our experts on these topics and see if they can help!

College Process Help Whether it's helping you choose the right school, writing a letter of recommendation, or revising your Common App essay, we've got your back when it comes to anything college process related. Book	High School Planning Figuring out which NYC high schools will be the best fit can be a tedious process. Not only can we help you choose the right school, we can draw out a full 4-year high school plan. Book	Resume Building Your resume tells your next employer what your experience is and why you're a good fit for whatever position you're applying for. We'll help you build your resume and get it actually seen by recruiters. Book	Essay Checking If you're writing a paper for your English final or writing an essay for your future high school, let us take a look and see if we can help you turn that boring first draft into a stellar writing piece.
